Handwritten marginal note in Devanagari script, oriented vertically on the left side of the page.

Handwritten text in Devanagari script, consisting of approximately six lines. The text is dense and appears to be a historical or administrative record. The script is in an older form of Devanagari, possibly from the 18th or 19th century. The text is written in black ink on aged paper. The first line begins with a large, stylized initial character. The text continues across the page, with some lines being more legible than others due to fading or ink quality. The final line ends with a small, decorative flourish.
